Getting to the office by car

- Access the parkade via Central Boulevard. Enter the Metrotower parkade off Central Boulevard and follow the signs to “Metrotower 1.”

Parking

- Due to limited all-day parking, we strongly recommend taking transit (we are located at Metrotown SkyTrain station). If you’re driving, access to Metrotower 1 is easiest by parking in the Metrotown parkade off Central Boulevard.
- There is a 4-hour free parking limit at Metrotown. There is pay parking in the Metrotower 3 parkade (\$2.00 an hour or \$15.00 for the full day). There is free street parking in the surrounding neighbourhood (see map below), but spots are limited. SafeCare BC assumes no responsibility for parking tickets.

If you’re travelling by transit

- Both the Metrotown Skytrain Station and Metrotown bus loop are located on Central Boulevard.
- For Skytrain, exit the station and cross Central Boulevard. You’ll see the three Metrotowers located on the north side of Central Boulevard.
- For the bus loop, take the escalator up to the upper mall level. You’ll see the three Metrotowers located east of the bus loop.

Inside the tower

- At the elevator bank for Metrotower 1, enter the desired floor on the keypad outside the elevators (SafeCare BC is located on level 14).
- The keypad will allocate an elevator for you (e.g. “A”).
- Once on the 14th floor, enter the door tagged “SafeCare BC Training Centre.”
