

COMPLETE COVID-19 Support for Your Operations

Our mission is to “enrich and nourish lives.” We believe that this mission aligns with the core values of our COMPLETE members and what it is you do every day.

As a CPS member, please note that the following tools and resources are available to help you and your team members navigate through these unusual times through eCPS.ca.

RESOURCES AVAILABLE	DESCRIPTION
Coronavirus Implications for Complete Purchasing Services Members	Frequent updates on how the coronavirus is affecting the supply chain, pricing, and other notable items for your operations. Look for (almost) daily updates.
COMPLETE Pandemic Menu	3-day pandemic menu which includes a regular menu, two texture modified diet menus, a 1- day template for high calorie clear fluid diet for enteric outbreak, and order guides in eCPS Purchasing.
COMPLETE COVID-19 Education Webcasts	We have been adding more webcasts to our 2020 COMPLETE Webcast series to assist you and your team in obtaining additional information related to COVID-19.
COMPLETE Room Delivery Meal Kit Product Guide	A ‘COMPLETE’ listing of take-out items included in the CPS program to assist in room meal delivery services if/when needed.
Alternative Personal Protective Equipment Suppliers	A comprehensive listing of products and suppliers to assist CPS members in sourcing personal protective equipment.
Additional Resources and Support	Logon to eCPS.ca for additional support tools and resources from our supplier community, including emergency menus, meal ideas, and more!
