Partners For A Better Tomorrow

Creating positive change for our health requires a holistic approach and a collective investment from our Governments, social advocacy groups, independent healthcare practitioners and citizens. Over the past 25 years, Sharmin's entrepreneurship in healthcare services has steered a course of innovation, change and challenges—and throughout, we have learned that product integrity and the application of education, prevention, treatment and management is the foundation to our success.

At Spectrum MDX, our goal is to translate technology into sustainable, healthy, and safe solutions that accelerate patient diagnosis and laboratory productivity. We can achieve better health outcomes and Spectrum MDX is committed to fulfilling our part by offering excellence and integrity in all that we do.
